**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

**CAUSE**

On March 14, 2006, a violation report was supplied to the Court alleging the defendant had possessed methamphetamine, possessed drug paraphernalia, and associated with convicted felons, specifically noting Daniel Crouch. The conduct consisted of the defendant using her residence as a location which known drug users could congregate and use drugs. As noted above, one of these individuals was Daniel Crouch. Mr. Crouch has been convicted of 14 felonies and numerous misdemeanor cases. It was later found the defendant was assisting Mr. Crouch and others in the theft of storage units in the Tri City area. The defendant had agreed to testify against the others after the theft ring was broken up by the Richland Police Department. Mr. Crouch was sentenced to a prison term with the Department of Corrections in Washington for his part in the thefts.

On January 29, 2009, this officer, unbeknownst to the defendant, observed the defendant with a male subject at the Benton County Superior Clerk's Office. Contact was made and he identified himself as Daniel Crouch. It was confirmed this was the same subject who was at the residence noted in the March 14, 2006, violation report. He admitted he had been released from prison in September of 2008, and he had been having contact with the defendant since December of 2008.

**Re: Lopez, Leticia N**

On February 2, 2009, contact was made with Mr. Crouch's Community Corrections Officer. The officer advised the defendant and Mr. Crouch were contacted by a West Richland Police officer when the vehicle was pulled over and the driver was found to be under the influence. It was also noted the defendant and Mr. Crouch were under the influence, but were allowed to walk home as the residence was one block away.

The defendant failed to report her contact with law enforcement and Mr. Crouch as directed within her conditions of supervised release. It should be noted, the defendant was directed on numerous occasions she would not be allowed to associate with Mr. Crouch upon his release. Mr. Crouch was a large factor in the defendant becoming involved in the use of methamphetamine and committing additional criminal conduct.

On February 4, 2009, the defendant was reminded of her conditions not to associate with convicted felons without the approval of her probation officer. She was also notified not to have contact with Mr. Crouch and to report any contact with law enforcement. Mr. Crouch was also advised of the no contact condition.

At this time it would be respectfully recommended 10 hours of community service be imposed as a condition to address the violations of supervised release.

I declare under penalty of perjury that the foregoing is true and correct.
